At Cristo Rey New York High School (CRNYHS), our students are constantly pushing themselves further, always reaching for that next level.

We don't stop at just a high school diploma. CRNYHS' mission is to give students exclusively from low-income backgrounds the opportunity to achieve greatness in high school, college, and beyond.

Thanks to the combination of our rigorous academic curriculum and our innovative Corporate Work Study model, once our students step foot into 112 East 106th Street, they're on an upward trajectory for life.

LETTER FROM THE BOARD CHAIR

Dear Friends of Cristo Rey New York High School:

As we begin our 16th academic year and second year under the leadership of President Daniel T. Dougherty, I remain very inspired by our success in delivering on our mission and ever more excited about our future as a Catholic, college preparatory high school in East Harlem, New York. With the completion of our 2018-2019 academic year, I am proud to announce that we have seamlessly executed our leadership succession plan which began over three years ago.

This past June, our co-founder and the inspiration behind the creation of our school, Mr. William P. Ford III, stepped down as our principal. Our principal search committee, led by Dan Dougherty, appointed Dr. Frances E. Clemente as the second principal since our founding. My fellow Trustees and I feel very fortunate to have secured such talented

individuals in Dan Dougherty and Fran Clemente to succeed our iconic founders Father Joseph Parkes, SJ and Bill Ford and to lead our school into the future. My appreciation runs deep to both the president and principal search committees, our founders, past and current Trustees, endorsing congregations, benefactors and our faculty for their tireless energy and commitment in helping us complete our succession plan on schedule.

As I always do, I would like to take a moment in my letter to reflect on the progress we have made as a school in delivering on our mission. Our results continue to speak loudly:

- To date, 98% of our 943 graduates have enrolled in college
- 77% of our graduates have either graduated from college or are on track to graduate
- Our alumni have attended Princeton, Brown, Cornell, UPenn, Tufts, Northwestern, and many other outstanding universities
- Through our Corporate Work Study Program, our students have worked at leading financial services firms, law firms, accounting firms, media and entertainment firms and health care companies
- Our six-year college graduation rate of 63% is more than quadruple the national average for low-income individuals
- 36 of our CRNYHS graduates have received or are pursuing post-secondary degrees

These results are the by-product of years of planning, commitment, focus and passion for our mission by our past and present leadership teams. As a Board, we continue to challenge ourselves and the leadership team to maintain our high standards, close the gap in our areas of need and make certain that our business model and strategy assure our future success and sustainability.

Our future success depends on the tremendous ongoing support and commitment we receive from our past and current Trustees, Advisory Committee members, endorsing congregations, Corporate Work Study sponsors, college and university partners, benefactors, and staff, faculty and volunteers. Thank you for all that you do for our school and our deserving students. You are making a difference and helping us close the education opportunity gap in our community.

With sincere gratitude,

Kyle L. Miller, *Board Chair*

LETTER FROM THE PRESIDENT

Dear Friends of Cristo Rey New York High School:

“Level Up!” — the theme of this year’s Annual Report — initially unsettled me. Despite getting an intuitive sense of its meaning, the phrase made me feel remarkably ignorant of pop culture. Not being a video game player, the reference to acquiring skills and experience to advance in a game eluded me. Nor was I familiar with R&B performer Ciara’s song, “Level Up.” Or the “Level Up” TV show and movie. Or the self-help book with “Level Up” in the title. In the pages that follow, we offer you a glimpse of what “Level Up” means at Cristo Rey New York High School.

“Level Up!” springs from a foundational characteristic we hope to instill in all our students — that is, to be open to growth. The Profile of the CRNYHS Graduate at Graduation, a document included in our student handbook and a touchstone at awards ceremonies

each year, highlights openness to growth as a core value of our community. Students develop a humble appreciation of their own giftedness as well as the curiosity to seek new experiences. With confidence, students accept new challenges and opportunities to enrich their perspective. At the CRNYHS board meeting in September, Trustees heard how three current students “leveled up” this past summer. Aniyah Battle ’20 reported on the two classes she took at Boston University that intensified her excitement for college. Christine De La Pena ’20 shared her experience in Chile as part of the Student Diplomacy Corps. Kwame Assinor ’21 expressed his new-found appreciation for community development shaped by his program at Georgetown University. These are but three of many examples of our Lions being open to growth and “leveling up” thanks to the opportunities available at CRNYHS.

Cornelia Connelly, the founder of the Society of the Holy Child Jesus, one of CRNYHS’ endorsing congregations, said, “Be yourself, but make that self exactly what God wants it to be.” Cornelia inspired her Sisters and students to value their intrinsic goodness while also challenging them to become the best version of themselves. Growing in the understanding and fulfillment of God’s plan for us is a perpetual exercise. We strive for but can never achieve perfection. Whether the area of growth is spiritual, social, cultural, emotional, physical or intellectual, graduates of CRNYHS view learning as a life-long pursuit. Opportunities for our students to “level up” will never cease.

The same can be said about Cristo Rey New York High School. With your abundant support, the school’s first fifteen years have been wildly successful, but we do not rest on our laurels. As we look to the future, we have begun to imagine what is next. How can we serve the students in our care more effectively? What skills and habits of mind will they need to be successful in college and the workplace in the decades to come? What more can CRNYHS do to close the opportunity gap for motivated students from under-served communities? How can CRNYHS become an even more powerful agent of change in the fight against poverty? How does CRNYHS “level up?”

Thank you for your generous support of Cristo Rey New York High School. Thank you for creating the conditions and providing the resources that allow our Lions to “level up.” Thank you for being indispensable partners in the work we share together. Thank you for inspiring us always to seek God’s greater glory.

Viva Cristo Rey New York High School!

Gratefully,

Daniel T. Dougherty, *President*

CRISTO REY NEW YORK HIGH SCHOOL

LEVEL UP!

Level Up! means aspiring to and fulfilling a worthy mission to address directly the opportunity gap for New York City students who have the motivation but lack the means to attain a quality, college-preparatory education.

Fulfilling a Worthy Mission

Cristo Rey New York High School is a Catholic, co-ed, college-prep school, part of the national Cristo Rey Network.

- We serve students of all faiths who have demonstrated the potential and motivation to achieve success and who do not have the educational background or financial means to attend another private, college-prep school.
- Guided by the spirit of care for the individual, *cura personalis*, we challenge all our students with a rigorous academic curriculum and a demanding work-internship program.
- Our ultimate goal is that our students will graduate from college and become professionals for others, transforming the world for the good of their families and society.

Addressing the Opportunity Gap

Most CRNYHS students begin ninth grade behind academically — but not for lack of trying. A vast majority of our students have attended under-resourced schools for their entire lives before coming to CRNYHS. It is our school's mission to serve these students based on their potential, not their reading level or their family's ability to pay tuition. In our sixteen years, we have never raised our tuition from the original \$2,000, even though the cost of educating one student at CRNYHS now exceeds \$17,000. To make this high-quality college-prep education affordable to our families, students work one day a week at a corporate work study position and earn about 40% of the cost of their own education.

Almost two-thirds of our incoming students enroll at CRNYHS performing below grade level and yet **nearly 100% of CRNYHS' students get back on target, graduate high school, and enroll in a four-year college.**

98% of CRNYHS' 943 graduates have enrolled in college, more than double the national average of their socioeconomic peers.

75% of CRNYHS' graduates have either graduated from college or are on track to graduate, with a college graduation rate (63%) more than four times that of their socioeconomic peers (15%).

Source: "Percentage of recent high school completers enrolled in 2-year and 4-year colleges, by income level: 1975 through 2014" National Center for Education Statistics, 2015.

WHAT DOES IT TAKE TO LEVEL UP?

ACADEMIC OPPORTUNITY & RIGOR

CARING, WHOLE-PERSON SUPPORT

ACCESS TO THE CORPORATE WORLD

From the very beginning of their CRNYHS journey, our students are “leveling up,” both inside and outside the classroom.

They are challenged by their teachers in the classroom and their supervisors in the workplace to keep pushing forward, achieving goals one day and setting new ones for the next.

It is no small feat for our students to go from performing below grade level to graduating from high school and matriculating and succeeding at impressive colleges and careers. It takes the unique combination of a demanding academic model, a comprehensive, whole-person approach, and an introduction to the corporate world of work to make it happen. CRNYHS has perfected this equation over the past fifteen years and the results — our incredibly successful students — speak for themselves.

LEVEL 1

ACADEMIC OPPORTUNITY & RIGOR

At Cristo Rey New York High School, students only have four days of classes each week to make up for the gaps in their education and catch up to their peers at other elite high schools, but that doesn't stop them from coming out ahead. Our curriculum is specifically designed to support our student

population and challenge them to develop their unique gifts and talents. We ensure that they are receiving the same quality education that is offered at other more expensive college-prep schools so that when they graduate, they're heading to the same colleges and universities as their more affluent peers.

Nashia

Class of 2021 | Favorite subject: History | Career goal: Lawyer

Nashia Akuamoah-Boatema immigrated to the United States from Ghana as a child. Adjusting to the American school system caused Nashia to struggle academically in middle school and during her freshman year at Cristo Rey New York High School. Sophomore year, her history teacher witnessed a spark ignite in Nashia during his class and introduced her to The

Gilder Lehrman Institute of American History, an educational partner of CRNYHS. Today, Nashia is a member of Gilder Lehrman's Student Advisory Council, working with educators and historians to create history curriculum. Through this experience, Nashia's commitment to learning and discovery has strengthened, resulting in higher grades!

“What makes Cristo Rey remarkable is that they really push you to become the best version of yourself.

My teachers always say, ‘you can do more!’ and I’m learning that I really can.”

OPPORTUNITY & RIGOR YIELD

RESULTS

The Class of 2019's College Decision List is a prime example of just how well CRNYHS' academic program works. These graduates worked hard with our faculty and staff

to discover and hone the scholarly skills they had all along but were never pushed to fully realize until coming to CRNYHS. They dug deep within themselves to close the gap

between their potential and their performance. Our College Guidance team works tirelessly to help our students navigate the college application process, resulting in

our graduates currently demonstrating their potential at some of the best colleges and universities in the country.

Class of 2019 College Decision List

- | | | |
|---|-----------------------------------|---------------------------------|
| Alfred University (3) | Fairfield University (2) | Rider University |
| Barry University | Fashion Institute of Technology | Siena College (3) |
| Bates College | Fordham University (3) | St. Bonaventure University (3) |
| Bentley University (2) | Georgetown University | St. Francis College |
| The Catholic University of America | Hamilton College | St. Peter's University |
| Clark Atlanta University | Hampton University | St. Thomas Aquinas College |
| College of Mt. Saint Vincent (3) | Hobart and William Smith Colleges | Stevens Institute of Technology |
| College of the Holy Cross | Howard University | Stony Brook University |
| CUNY Baruch College | Le Moyne College (4) | SUNY Albany |
| CUNY City College (2) | Lycoming College | SUNY Binghamton |
| CUNY John Jay College of Criminal Justice | Marymount Manhattan College (2) | SUNY Buffalo State (8) |
| CUNY Lehman College (2) | Mercy College (2) | SUNY New Paltz (4) |
| CUNY Queens College | Mount Saint Mary College (2) | SUNY Old Westbury (2) |
| Davidson College | Nazareth College (2) | University of Michigan |
| | New York University | University of Pennsylvania |
| | Providence College (2) | University of Rochester (3) |

Parentheses indicate the number of students who have chosen to attend the school.

Class of 2019 Financial Aid Access

CRNYHS' crucial guidance on how to navigate and secure scholarship and financial aid opportunities led to incredible results. 50% of seniors were chosen for a scholarship program at their college or university — programs designed to provide supportive services and financial aid to high-potential students from economically disadvantaged backgrounds.

99% of the CRNYHS Class of 2019 directly enrolled at a four-year college or university.

The Class of 2019 improved their ACT composite scores by 4 points from 9th to 12th grade.

The Class of 2019 had an average composite score of 21.12 and out-scored the national average for first-generation college students in every ACT subject.

75% of the Class of 2019 attend colleges and universities rated selective or better.*

Schools include Georgetown University, Bates College, University of Pennsylvania, Hamilton College, New York University, Davidson College, and University of Michigan.

*Rated "selective," "more selective," or "most selective" by U.S. News & World Report

100% of the Class of 2019 received scholarships including merit scholarships.

A total of \$9.8 million in scholarships and grants were awarded to graduates from the Class of 2019 including a Jackie Robinson Foundation Scholarship and a Pierre Toussaint Scholarship.

LEVEL 2

CARING, WHOLE-PERSON SUPPORT

At the core of our mission is the ideal of *cura personalis*, or care for the whole person. Cristo Rey New York High School was founded with the goal of bringing about social justice by closing the opportunity gap in education for

the population we serve. We strongly believe that achieving our mission requires nurturing and encouraging the total development of our students — spiritual, social, cultural, emotional, physical, *and* intellectual.

Yovanka

Class of 2020 | Favorite subject: English | Career goal: Journalist

Pictured with mentor Joe McQuarrie, Religion Teacher

As a Latina, Yovanka Lopez always knew she was facing an uphill battle because of her ethnicity and gender. Before coming to Cristo Rey New York High School, these characteristics diminished her confidence in herself and her abilities, but thanks to the overwhelming support from CRNYHS faculty, staff, and peers, she has been able to confront and

overcome those negative feelings. Throughout her time here, Yovanka has been an active member of Student Council, and now as a senior, she has earned herself the role of President of the club. In this leadership role, she hopes to help other students find their confidence and realize their full potential in the same way the CRNYHS community has helped her.

“Everyone at Cristo Rey wants to see you grow and become a better person, so they’re always motivating you in a variety of ways.

That motivation and ‘hying up’ has really helped to build my confidence.”

ACCESS TO THE CORPORATE WORLD

CORPORATE WORK STUDY PROGRAM

What began as simply an innovative way to finance our students' education has turned into a critical component of our students' development and success. Because of our Corporate Work Study Program (CWSP), every single Cristo Rey New York High School

student graduates from high school with corporate work experience. The multitude of hard and soft skills our students learn in the workplace is just as valuable as the portion of the cost of their education that it covers.

Kevin

Alumnus, Class of 2014 | Current Job Title: Client Relationship Associate, CRNYHS

When Kevin Montes was a freshman at Cristo Rey New York High School, taking the initiative to simply ask his coworker a question was a nerve-racking prospect. Nine years later, Kevin has conquered those fears and is more than confident in his communication skills. Working at places like Credit Suisse and PVH Corp. as a high school student opened his eyes to new career

opportunities, which led him to study business in college and pursue a career in the corporate world. Today, Kevin is back at CRNYHS, working in the CWSP office — the department he credits for changing his life trajectory. In his new role, he works with students everyday as a direct example of the success that comes out of CWSP.

“The most rewarding thing about the Corporate Work Study Program, no question, is experience! It opened my eyes to a whole new world. **Heading off to college with four years of real work experience set me apart from so many of my peers.**”

CORPORATE WORK STUDY PROVIDES TUITION AND

EXPERIENCE

Cristo Rey New York High School students have a stake in their own education.

They earn 40% of the cost of their education while gaining 230 hours in corporate work experience per student each year.

CRNYHS' Corporate Work Study Program started as a unique way to fund our school. Now, it is the cornerstone of a CRNYHS education.

CWSP is an innovative educational and financial model that allows students to receive a private, college preparatory education while gaining invaluable work experience. Students are matched in jobs where they can succeed and where they have supervisors to support and challenge them throughout the year. For one day each week throughout the school year, every student works in an entry level position at a top-flight firm in the New York Metropolitan area. In turn, students gain unparalleled work experience and mentorship in corporate America. This is an essential part of our students' growth, learning at just fourteen years old the values of hard work, responsibility, and ambition.

FY2019 FINANCIALS

Cristo Rey New York High School is able to serve our students and graduates so successfully because of the generous support of our diverse set of donors. As we look ahead, we remain committed to fiscal oversight to ensure sustainability and high-quality programming for every student and family we serve.

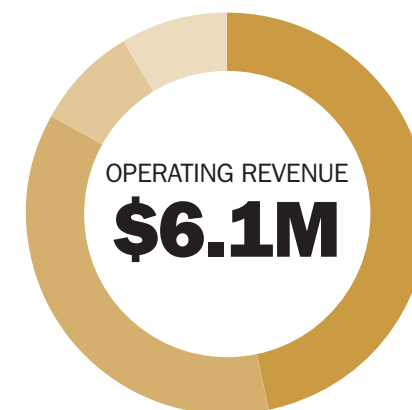

FIVE-YEAR FINANCIAL ANALYSIS

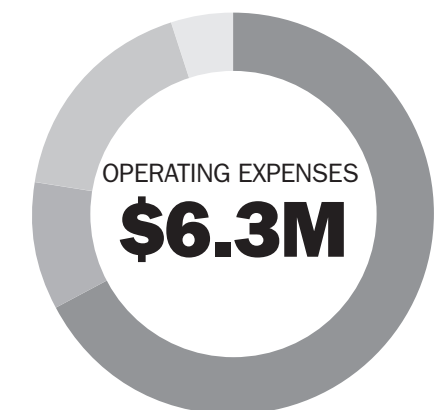

Note: In FY18, CRNYHS held a Legacy Dinner in celebration of Founding President Fr. Joseph P. Parkes, SJ's retirement. Funds raised at the Legacy Dinner contributed to the significant increase in revenue.

FY2019 REVENUE & EXPENSES HIGHLIGHTS

Year ending June 30, 2019

- Unrestricted Gifts | 47%
- Corporate Work Study Program | 36%
- Tuition | 8%
- Other | 9%

- Instruction & Student Activities | 67%
- Operation & Maintenance of Plant | 10%
- General & Administrative | 18%
- Development | 5%

FY2019 DONORS THANK YOU.

Special Thanks to The Kelly Gang!

The Kelly Gang's mission is to raise funds each year for different worthwhile causes that lend a helping hand to those in need. This year, Cristo Rey New York High School was grateful to be chosen as The Kelly Gang's honoree, and with their support, we were able to raise over \$140,000 at their annual benefit in March.

Ray Kelly, Honorary Chairman of The Kelly Gang, CEO Guardian Group and former NYCD Commissioner presents CRNYHS' President Daniel T. Dougherty with a commemorative plaque honoring the school at The Kelly Gang's 2019 Benefit.

HELP US GET TO THE NEXT LEVEL

Support Cristo Rey New York High School

The cost to educate each student is more than eight times the amount of the annual tuition of \$2,000. We have not raised tuition since we opened in 2004, and more than 85% of our families receive additional financial aid.

Your gift to CRNYHS has an immediate impact. It provides a quality, Catholic, college and career preparatory education to students in New York City who have limited educational options. Your support helps them get to the next level and transform their lives!

Michael

Class of 2020 | Favorite subject: Math
Career goal: Sports Agent

“ When I first started high school, I struggled. Since joining the soccer team, I have learned that at Cristo Rey we are always a family and we never give up, whether we win or lose. This is true both on and off the field.”
