Moving the needle on college readiness.

% of Class of 2021* that met or exceeded the benchmarks for college readiness

SAT scores of 480 in Evidence-Based Reading and Writing and 530 in Math

■ Nationwide with guardians whose highest level of education is a high school diploma Note: can add no diploma bar

■ Enrolled in NYC DOE schools

■ Enrolled in CRNYHS Note: These are 2022 numbers, I need 2021 for comparison.

*2021 is the most recent year for which comprehensive data is available. Source(s): CollegeBoard SAT Suite of Assessments Annual Report; NYC DOE Info Hub.

Surmounting the opportunity gap

- Our typical student is **1 or 2 levels below grade level** when they enter CRNYHS having come from under-resourced middle schools in Upper Manhattan and the Bronx.
- Almost all of our students live in homes where the **head of household's highest educational achievement is a high school diploma or less.**
- Our students' **average household income is \$30,000.**

With our educators' expertise and whole-person care, our partners' and donors' support, and the students' drive and agency, our students grow enormously from the day they start at CRNYHS – defying the statistics and out-pacing their socio-economic peers.

73%

**of our Class of 2022
were accepted by
Selective,
More Selective or
Most Selective Colleges.**
